Errors and Omissions Disclaimer

The information from the Service is just meant to provide broad direction on topics of relevance. Although the Company goes to the greatest extent to ensure that the content of the Service remains entirely accurate and up-to-date, errors can nevertheless emerge. In addition, there may be interruptions, oversights, or discrepancies in the information provided on the Service due to the continual evolution of legislation, rules, and regulations.

Any mistakes or inconsistencies are not the result of the Company's fault, and hence, the Company shall bear no obligation for the potential damage incurred.

Fair Use Disclaimer

The Company may use protected material regardless of whether the copyright owner hasn't provided their express permission. Such materials can be made available by the Company for critiques, feedback, reportage, guidance, scholarship, or investigation.

Per Section 107 of the United States Copyright Law, the Company considers this as "fair use" of any such intellectual work.

You must get permission through the copyright owner if you intend to use any protected material from the service for private reasons aside from legitimate use.

Refer to the Fair Use Policy to know more about this: [FUP](#)

Views Expressed Disclaimer

Opinions and viewpoints expressed through the Service are not necessarily the official attitude or position of any writer, authority, company, worker, or business itself.

Users who post remarks do so at their discretion and risk, as they accept full responsibility, accountability, and blame for any defamation or lawsuit stemming in any way from what is written in those opinions. The Company retains the right to take down any comment for any reason and is not held accountable for user comments.

No Responsibility Disclaimer

With the awareness that the Company is not currently providing legal, financial, taxation, or related professional advice and offerings, the information on the website is provided with that comprehension. Consequently, it shouldn't be employed as a substitute for the guidance of competent experts.

The business and its vendors explicitly dismiss any special, accidental, indirect, or unforeseen losses originating from or related to your use or failure to utilize the Service.

“Use at Your Own Risk” Disclaimer

All information in the Service is provided “as is,” with no guarantee of completeness, accuracy, timeliness, or the results obtained from the use of this information, and without warranty of any kind, express or implied, including, but not limited to warranties of performance, merchantability, and fitness for a particular purpose.

The Company will not be liable to You or anyone else for any decision made or action taken in reliance on the information given by the Service or for any consequential, special, or similar damages, even if advised of the possibility of such damages. You have to bear the responsibility for the use or abuse.

911/E911 Disclaimer

We have no influence concerning why and in which way an emergency response center reacts to inquiries made employing our 911/E911 call services. Any equipment's ability to contact an emergency response in the middle will not be under our control. To route 911 calls to emergency intervention centers and the national emergency calling center, we depend upon third parties. If the call routing information handed over by a third party becomes erroneous or leads to erroneous results, we expressly disclaim any liability and obligation. The conduct or failures of your contacts, in addition to the internet connection and mobile phone carrier services you and your contacts utilize, are beyond our control.

You must remember that you may experience service disruption in the event of power failure or outage, absence of backup, unstable internet, and suspension/ blockage of your account. You should also ensure your utilization of Calilio is within the boundary of regional, national, and international regulations, laws, and policies. You expressly relieve Calilio and its employees from the entire liability for any claim, adverse effects, or loss of profit arising from or linked with our 911 dialing or 911 alert service. You recognize that you will not rely on these resources for critical or life-saving purposes. Our service is not for third-party monitoring purposes.

Furthermore, Calilio makes no promises or guarantees on promptness, 100% safety, consistency, faultlessness, or packet loss on reliance on the site or other service components.

Online Privacy Policy Only

Our Privacy Policy was created and applies only to our online activities and validates visitors to our website about the information they share and/or collect in Calilio. This policy does not apply to any information collected offline or via channels other than this website.
